

Holiday Gathering Homeschool BINGO

What Grade are you in?	Is homeschooling even legal?	“Are you going to homeschool the whole time?”	What about college?	“I could never homeschool my kids”
“Well, of course <i>you</i> can homeschool, but not everyone can.”	How do you know what to do without a teacher telling you?	Do you have a college degree in education?	What about the prom?	How do you get them to work?
Do you get graded?	Are you super religious?	Anything about Socialization	Are you hippies?	How do you meet people?
“Do you like your teacher?”	What (public school) program are you enrolled in?	What do you do all day?	Do you like homeschooling?	Will they get a “real” diploma?
“You must be really patient,” or “I would never have the patience.”	Do you have any friends?	“We homeschool in the summer.”	What’s wrong with public school?	What about sports?
